FOR THE ATTENTION OF THE MASTER OR CHIEF ENGINEER

Special instructions with regard to the supply of bunkers by barge:

The fuel to be delivered has been sold under the provision that the quantity is to be determined from gauge of the bunker barge(s) effecting delivery.

I, the master/chief engineer, of the above vessel has been duly approached by a representative of the barge in connection with above delivery and been invited to sound and check the contents of the barge.

Yes

No

I hereby confirm on Owner's behalf that Owners are liable for the debt incurred of Marine Fuels and that Stena Oil AB will have a lien in the vessel for such debt incurred. No disclaimer stamp of any type will be accepted on this delivery receipt, nor, should any such stamp be applied, will it change or waive Stena Oil AB's lien against the vessel for the debt incurred.

Received above quantity in good order and condition together with representative sample(s).

Master/Chief Engineer
